Dear Sir,

TAXPAYERS IDENTIFICATION NUMBER/VAT REGISTRATION

Further to your submission of an application form for the above subject matter, may I inform you that your company has been successfully registered as a Value Added Tax (VAT) collection agent and your Taxpayers Identification Number (TIN) is **23858419-0001**

Your attention is drawn to Finance Act, 2019, Section 35. This Act requires you to render the returns of your VATable or non VATable transactions within twenty-one (21) days of the month following that in which the purchase or supply was made. Failure to render returns to the Board is liable to a fine of ₦50,000 for the month of default and ₦25,000 for every month in which the default continues.

Be guided, please.

Yours faithfully,

S.S. MOHAMMED
Tax Controller

OIL & GAS MARINE LTD

**POLICIES &
OPERATIONAL
GUIDELINES**

ENVIRONMENTAL POLICY

It is the responsibility of each personnel of **IZONIBE OIL & GAS MARINE LIMITED** to perform their works in an environmentally friendly manner. It is our policy to promote and encourage awareness of and to protect and preserve the environment. In implementing this policy, all forms of operation/activity can amount to water, air, land pollution or generation or vegetation and topographical damages will be thoroughly controlled and restricted as well as minimize nuisance, which may arise from such operations/activities.

WASTE MANAGEMENT POLICY

All waste generated when executing any project shall be collected, segregated, stored in appropriate labeled containers, treated (where applicable) and disposed off in such a way as not to treated (where applicable) and disposed in such a way as not to have impact to the environment. Our HSE MS coordinator shall conduct regular environmental assessment.

At the conclusion of any activity or project, our ultimate goal is to leave the work site in a condition near as possible as to the state in which it was found. Clean-up teams shall see to the actualization and achievement of this goal.

QUALITY, HEALTH, SAFETY AND ENVIRONMENT (QHSE) POLICY

IZONIBE OIL & GAS MARINE LIMITED conducts all aspects of its operations/activities in a manner that prevents injury to persons, loss of lives and properties and provides a healthy work place via systematically identifying risks, hazards. These hazards and risks are managed effectively thereby promoting safe working conditions and environment. We also comply with applicable legislation, regulatory requirements and observe the cautionary principles to the environment.

Every member of the management team is responsible for the safety of employees under their control and must ensure that the safety policies and procedures are made clear to them, ensuring that these policies are adhered to.

To enable the smooth operation of this policy, the following principles would be implemented where possible and practicable:

- ⑩ Provide and maintain safe systems of work and safe access to work
- ⑩ Comply with its environment policy and ensure the impact of our operations on the environment is reduced
- ⑩ Stop work where there is an uncontrollable risk to people, assets or environment.
- ⑩ Conduct regular health surveillance and mitigate identified health risks.
- ⑩ Provide information, training, instruction and supervision where necessary to enable employees perform their work safely and efficiently.
- ⑩ Make available, all necessary safety devices and protective equipment and supervise their use.
- ⑩ To take actions as it is reasonable to eliminate identified hazards or minimize the associated risks.
- ⑩ Maintain cordial relationship with the host communities.

We are committed to ensuring that our policy is complied with and reviewed periodically to ensure appropriateness and effectiveness.

QUALITY POLICY STATEMENT

At **IZONIBE OIL & GAS MARINE LIMITED** recognizes that the maintenance of quality standards in all activities is the key to our success and reputation. Therefore, we are fully committed to a policy that seeks to provide a service which fulfils the requirements and exceeds the expectations of our clients in every way, and also, where necessary, meets with all the regulatory requirements and criteria. To aid in the actualization of this commitment, a documented Quality Management System has been established, whereas, the Managing Director is responsible for determining measurable objectives for customer's satisfaction and the aspirations of the company.

By this policy, the company aims to ensure that:

- ⑩ Trained and competent personnel are available, focusing at all times on the customers' needs and expectations.
- ⑩ A high quality of service is given, providing optimum value to the customer, commensurate with cost.
- ⑩ There is a consistent approach towards public and customer safety
- ⑩ Legislative and regulatory requirements are always complied with
- ⑩ Processes are performed in a cost-effective manner

All our employees are made aware of this policy and its objective and are committed to its implementation, even as the company continually improves the effectiveness of the Quality Management System and is objectives.

DRUG & ALCOHOL POLICY

Being under the influence of alcohol or drugs can seriously impair an individual's judgement and reactions leading to an increased risk of accidents and injuries occurring.

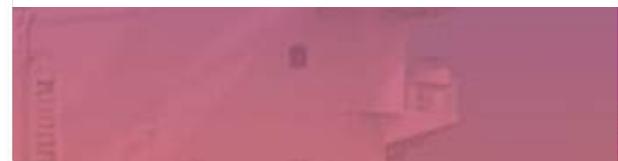

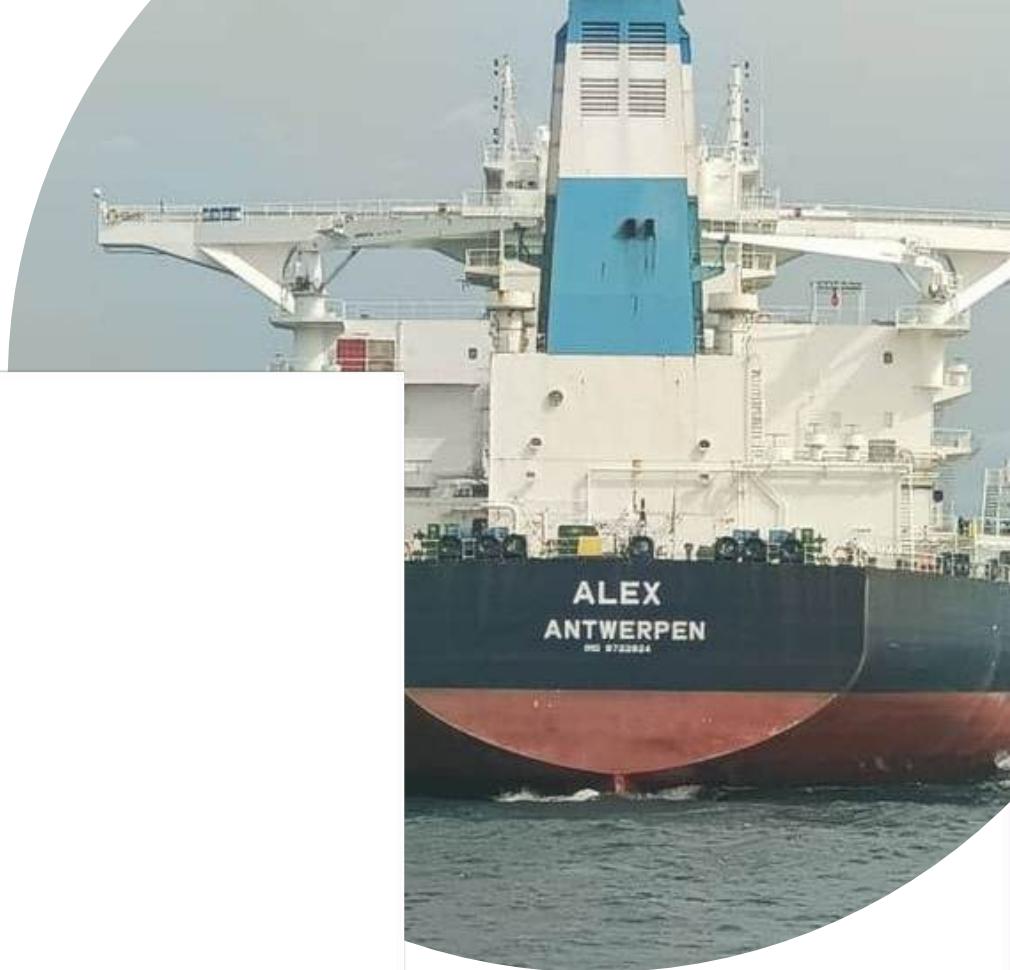

This is the reason why this policy seeks to ensure the safety of all employees, workers and visitors by having a clear rule in place regarding the use and possession of alcohol and drugs, and to support those who have reported a problem with alcohol or drug dependence.

Principles

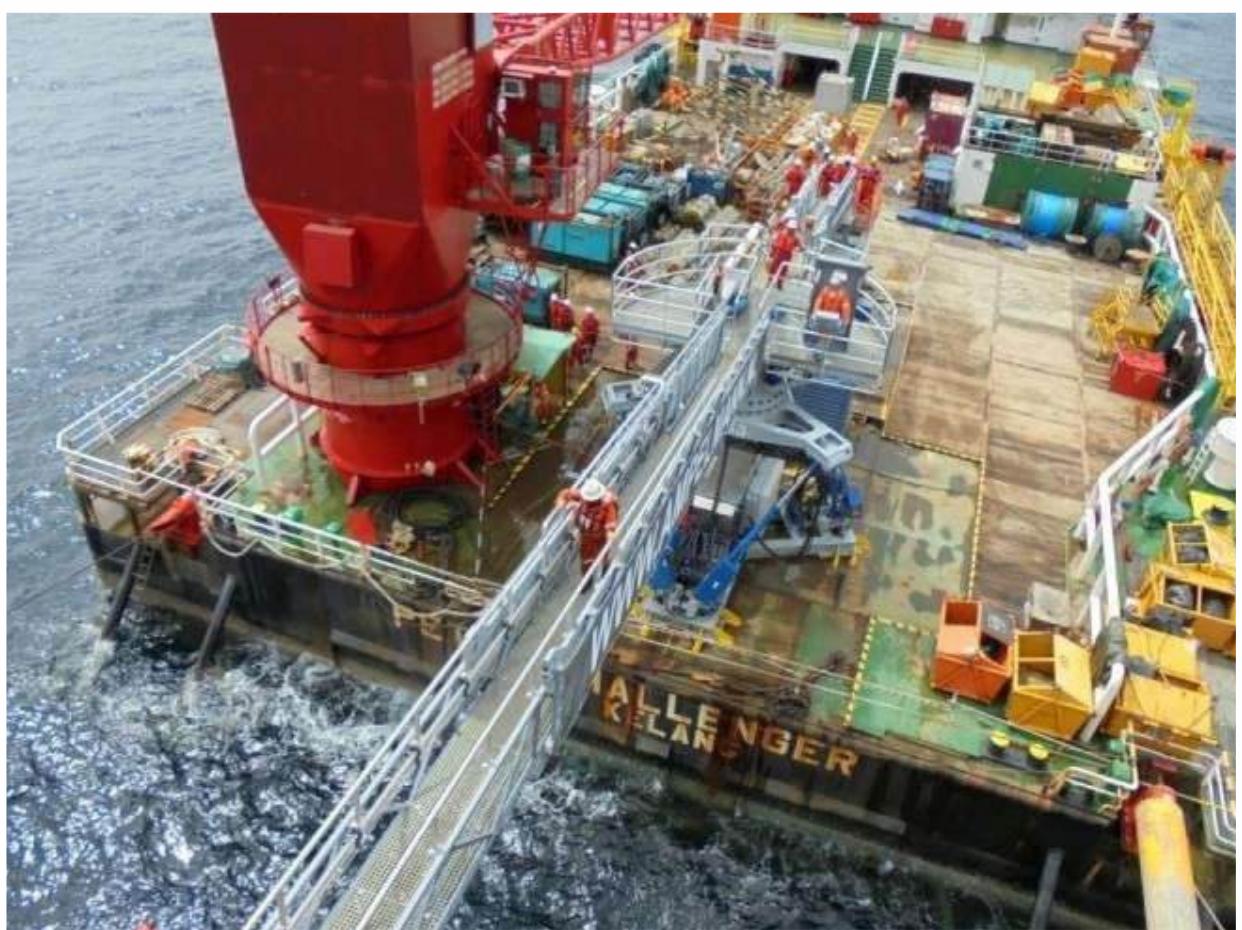

- ⑩ All employee and workers will be treated consistently and fairly in line with this policy.
- ⑩ The rules on alcohol and drugs will be strictly enforced.
- ⑩ Those who admit to having a problem with alcohol or drugs shall be fully supported by their line manager.
- ⑩ Employees with an illness related to alcohol or drugs are encouraged to disclose same at the earliest opportunity to ensure support and help with treatment.
- ⑩ All matters concerning alcohol and drugs shall be treated as confidential.
- ⑩ This policy is designed to comply with the relevant legislation such as the Health and Safety at Work Act 1974 and the Misuse of Drugs Act 1971.
